Dear Fair Secretary and President:

Enclosed you will find several dated forms that are very important to your fair.

We would appreciate it very much if you would complete each form and send it to the designated person at the address indicated on the form as soon as possible regardless of the due date. This will make each committee's job a little easier by avoiding the last minute crunch. Remember, if you do not provide the information to us, we cannot publish your fair information in the booklet and you will miss out on advertising. We make every effort to have this process done, however, we run into problems with obtaining information. Please get your information into us as soon as possible.

Our sincere wishes for a Very Happy New Year to you and yours from all of the Members of the Board of Directors.
